**I. Relief Requested**

Michael Angelo Delance respectfully moves the court for the following: (1) an Order to Show cause requiring Sonya Delance to appear and show cause why the court should not grant Respondent's Motion to Vacate Judgment/Order and (2) an Order vacating the Judgment(s)/Order(s). Respondent seeks to vacate the ORDER PARTIALLY MODIFYING AND AMENDING DECREE OF DISSOLUTION/PROPERTY SETTLEMENT AGREEMENT dated 2/15/22 (exhibit 1 in declaration in support of this motion) ORDER APPOINTING SPECIAL MASTER AND OTHER RELIEF dated 3/28/22 (exhibit 5 in declaration in support of this motion). Granting all 100% of the stock in the respondent's company to the respondent for having to bring this action.

**II. Statement of Facts/Statement of Grounds**

[Clearly and briefly state the facts you base your case on. Print or type.]

I ask the Court to vacate the following Order(s) or parts of Order(s):

The order appointing special master needs to be vacated because it is not necessary since the order partially modifying the and amending the divorce decree will be vacated. The order for special master is only for the purpose of signing over my shares of stock to Sonya. The issue of the stock is the entire premise of vacating the modified and amended divorce decree under CR 60 (b). The petitioner obtained the modified and amended divorce decree by fraud. The petitioner tried to use trickery and deceit to get all of my preferred shares of stock in my company by referring to a document by different names and

2 dates as well as ignoring clear wording in the separation contract dated 4/22/19 that the intent of the  
4 percentage of allocation of each class of shares (preferred and common) was to be a even split, even is  
6 defined obviously as 50/50 split. Furthermore and in continuation of the trickery and deceit, the  
8 petitioner's attorney had led me to believe that we were to take further steps in either mediation or  
10 arbitration before any enforcement of the CR2A would be attempted. Last, the petitioner's attorney then  
12 did not properly serve me, which caused me to not be able to respond until it was too late.

14 This court entered the Order(s) to be vacated on 2/15/22 and 3/28/22. The  
16 Court should vacate the Order(s) because (state facts relevant to your motion):

18 Not in any document, agreement, contract, or order did I at any time agree to give the petitioner 100% of  
20 the preferred stock in my company. The petitioner obtained the orders on a motion to enforce a CR2A  
22 agreement. I communicated with the petitioner's attorney issues I have with the proposed orders she was  
24 seeking to have entered via her motion to enforce and was led to believe via email discussion that we  
26 would be either continuing mediation first or as her attorney had suggested arbitration. Arbitration is not  
28 an option in this case in my opinion because her attorney was simply trying to add a lot of stuff to the  
30 orders that there is no prior agreements or orders that would warrant it. I do not agree to mediation or  
32 arbitration on this issue of the stock because this is simply an act by the petitioner's attorney to steal my  
34 shares. This is entire issue started with a contempt of the parenting plan on the part of petitioner Sonya.  
36 The court should note that the petitioner's attorney did not supply any of the relevant documents as  
38 exhibits in any of her documents that she used to obtain these orders. This entire fiasco was contrived by  
40 the petitioner's attorney to steal my shares.

### 42 **III. Statement of Issues**

44 *[Clearly and briefly state the legal issues you want the court to decide. Print or type.]*

2 Should the orders be vacated via CR 60 (a) or should they be vacated via CR 60 (b).

4 Was there an agreement that allocated 100% of the preferred stock to the petitioner Sonya.

6 Did the petitioner's attorney obtain these orders by fraud that can be vacated under CR 60 (b).

8 Did the petitioner's attorney obtain the orders because of clerical mistakes under CR 60 (a).

10 Did petitioner fail to serve me correctly.

12 Should the respondent be granted 100% of the stock from all class of shares in his company for h aving to  
bring this action.

14 Should the Court Vacate the Judgment/Order(s) Under Civil Rule 60? *[state specific basis under the  
16 rule]. [If you are seeking to vacate on more than one ground under the Civil Rule, state each issue  
18 separately]*

20 *It has been less than 12 months and this motion has been brought timely. The petitioner intentionally  
22 deceived me and the court to obtain the orders. If the court does not agree that the orders were obtained  
24 by fraud under CR 60 (b), then the court should vacate the orders under CR 60 (a). Furthermore, did the  
26 petitioner fail to properly served me, and if the court agrees, should the orders be vacated under "CR 60.*
