To both parties:

If you want the court to consider your side, you **must**:

1. Relief Requested

My name is: Michael Angelo Delance. I ask the court to approve the following orders (*specify*):

Limiting the Special Master's Authority or Dismissing him entirely.

2
4 **2. Statement of Issues**

6 I ask the court to decide the following issues (*specify*):

8 Did the Special Master not follow the order that appointed him when he refused contact with me or otherwise did not reach out to me.?

10 Should the Special Master after signing the Assignment Separate from Certificate not have any more authority to split any more shares?

12 Should the special master be allowed to sign documents that allow the petitioner to travel with the children?

14 **3. Statement of Facts/Grounds**

16 These facts support my request (*list supporting facts*):

18 The special master should not be involved in signing documents that allow the petitioner to travel with the children. There is no mention of this in the CR2A, and this is simply perpetuating a wrong committed by the petitioner in the parenting plan

20 The Petition has not given me contact information for the special master.

22 The special master has ignored if the email address I used and phone is actually his.

24 The petitioner's math is wrong everywhere in regards to the shares and should not be the only one communicating with the special master.

26 The order appointing the special master clearly states that I am allowed to communicate with the special master.

28 **4. Evidence Relied Upon**

30 I ask the court to consider this evidence (*list all declarations and other documents that support this request*):

32 Declaration of Michael Angelo Delance in Support of Motion to Limit or Dismiss Special Master

34 **5. Legal Authority**
